It is original, professional, and classy. It combines the best of classic medieval and contemporary design to create a distinctive font. A must for any gift for a bride, groom or wedding. Brand: San Francisco Imports Description: Advertisements (Book Jackets, Posters, and Postcards) Did you ever want to give someone a gift that would make a statement but not a statement for the wrong reasons? How about something that represents the very best of European design and craftsmanship to show your appreciation? How about something that is as traditional as it is distinguished? Something that is classy yet also sophisticated? You can give a bride, groom or wedding gift that is classic and timelessly elegant without being something that is common or overdone. San Francisco Imports has just the right gift for any bride, groom or wedding. Font: Didot Didot, a medieval French typeface, was designed in the early 15th century. The English and German variants were originally created for Bibles. The large, double lower-case D, g, and b became a hallmark of Didot typeface design. The contemporary Didot is based on a revival of the Medieval Didot. At the same time, it is related to some of the modern Didot designs, as well as Italian styles, especially Meridional and Rondel. It is easy to see why Didot typefaces are so popular today. They have a timeless classic appearance, with a traditional feel. The Didot typefaces has a strong and elegant look, with a mid to heavy weight. Didot is an elegant choice for wedding, anniversary and for any other special occasion. It is a highly legible typeface. Ornate and elegant, this typeface is a perfect fit for wedding invitations. This exquisite font is a royal addition for any special event. The look of this typeface is unmatched in its simplicity and elegance. It is a bold, eye-catching display of a beautiful script. This unique script is sure to make a great statement for any occasion, whether for wedding, anniversary or any other special occasion. The font has a large, double lowercase D, g and b. Its style and design is reminiscent of an old style English typeface. Description: All (except Calligraphy) This is a luxury full body wedding invitation set designed by one of the world's most renown and prolific calligrapher
